

Friday 26th June 2020

Visit us at www.kingsavenueschool.co.uk

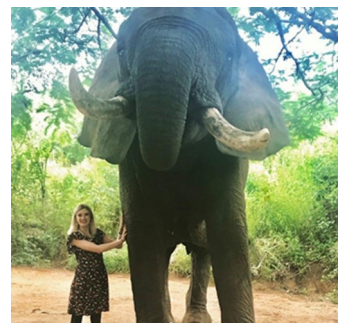

Dear Parents/Carers,

Hope you all are doing well.

Every week we will introduce a new member of staff who are going to join Kings Avenue in September 2020.

This week we are going to introduce Miss Grace Dearle. Please read below her statement:

My name is Grace Dearle and I have been teaching in West Sussex for 4 years in Year One and I have also been leading phonics and early reading. I am now really excited to move to London and to be a part of your amazing school! I love my job and I can't wait to share my new journey with you all. I always strive to make my classroom a safe, nurturing, happy and inviting place to come and learn. I also like to bring lots of fun into the classroom, and I particularly love singing and dancing (especially to Disney songs!) My favourite animal is an elephant and I was lucky enough to get close to one last year whilst in South Africa. Don't be surprised if you see some elephant ornaments scattered around the classroom, I am elephant mad! I can't wait to see you all soon and have a fantastic year together working hard and creating special memories.

On Wednesday 1st July 2020 we will be running an open morning for the new Reception children who are going to join us in September 20 - from 9am to 11am.

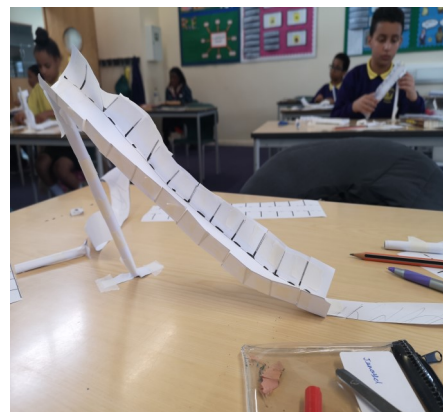

On Monday 29th June year 5 children should be back to school from 9am to 3pm, Monday, Tuesday, Thursday and Friday. We are so excited to have them. Please read Miss Mollett's letter on the school website for more information - under **School Life, Letters Sent Home**. Hope to see you all on Monday.

At Kings Avenue will now be using the email system to communicate with parents/carers, so please keep checking your emails. If you have not received any emails from us please email us to: office@kingsavenue.lambeth.sch.uk to edit or add your email to our system. Thank you for your cooperation.

Year 6 have been taking on a range of fun activities as a part of their Enrichment afternoon on Fridays. In previous weeks they have played team games and had a paper plane contest but this week was their greatest challenge so far - paper roller coasters! Using just paper, scissors, tape and some expert folding, the Year 6s had great fun building their own roller coasters that sent marbles zooming along all sorts of crazy tracks. What a great afternoon!

Wellbeing Challenge:

With the lovely weather we have had recently, now is the time to enjoy the great outdoors and have an opportunity to create some art.

You will need:
Paper/Canvas
A spray bottle
Food colouring

Method:

Lay the paper/canvas out onto the floor. You can use a heavy object to prevent it from blowing away.

Fill your spray bottle with water and add some food colouring droplets.
Use one colour per bottle/rinse and reuse the bottle.

Spray the water onto the paper/canvas and let it dry. It will dry quickly in the heat.

Add as many colours as you want.

Have a lovely weekend.
Kings Avenue School Team
