Welcome Kings Avenue School

### En El Colegio (At School)

This unit teaches us lots of Spanish based around what we do everyday at school. It will enable us to talk about the subjects we learn in school, the times we study them at and also express a series of opinions about each subject. We will also look at the verb 'ir' (to go) which we will use with the other language we learn in this unit to build some sophisticated and longer pieces of Spanish. There's also a great karaoke song to sing along to!

### Lesson Summary

This lesson teaches us how to express an opinion about the various school subjects allowing us to say which subjects you like and don't like at school. (I hope you like Spanish!)
