# L.O: To investigate Jesus' teachings and the Christian perspective of eternity

## Success Criteria:

- To define the key terms of eternity and unconditional
- To reflect on different bible stories
- To discuss Jesus' teachings about love

---

Key  
Question:

Is anything  
ever  
eternal?

Recap:

Can anything last forever?

Can anything last for eternity?

Today, we are investigating Jesus' teachings and what Christians believe about eternity, using love as an example. To start, what do you think?

Do you think that love can last forever?

What kind of love could last forever?

How about love between a parent and child?

What does 'unconditional' love mean?

## Task 1:

Read the bible story, Luke 15:11-32

And watch the video:

<https://www.youtube.com/watch?v=DJgROx4wFKM>

What have we learnt about love?

Unconditional love means that there are no limits or restrictions.

*Did the father show unconditional love?*

## New Vocabulary:

Agape = Unconditional love  
(Christian word)

**Task 2:** Choose a second bible story and read through.

You are now going to investigate more of Jesus' teachings on eternity.

What has happened?

How could you summarise the story?

What have we learnt about love from these Bible readings?

What did Jesus teach about love?

*That love should be eternal and unconditional*

*Is this possible?*

## Task 3

On a piece of paper or in your books:

1. What happened in your bible story?
2. What did your bible story teach about love?

*Challenge: Include your understanding of our new vocabulary in reference to your story. Agape = Unconditional love*

3. Draw a picture of your bible story

# P4C Thinking deeper...
