L0: To use expanded noun phrases

What is an adjective?

- An adjective is a word that describes a noun e.g the **HUGE** cat.
- A noun is a thing, person, or place e.g **Bob, New York, chair.**

Can you now make a grid like this and fill it in? Use whatever nouns/adjectives you like 😊

Noun	Adjective
large	dog

Expanded Noun Phrases

An expanded noun phrase is a phrase made up of **a noun** and **at least one adjective**.
If you list more than one adjective to describe the noun, you should add a **comma** to separate them.

lots of yummy, cold ice cream

Determiner

Used to introduce a noun to specify which one or how many; a/an, the, three, most.

Adjective

A word that describes a noun; monstrous, vivid, delightful, familiar.

Noun

A person, object or animal; garage, Henry, leopard, sofa.

Why do we need to use expanded noun phrases?

- It is important to use these in writing so that it is more exciting!
- In diaries it is especially important so that the reader can visualise what is being described in their heads.

Your task today...

Can you write an expanded noun phrases about these things? Use more than one adjective to make it even better!
