LO- To write a caption to match a picture.

Can you choose one of the pictures below. Write a caption for it and some sentences about what is happening.

Here is an example.

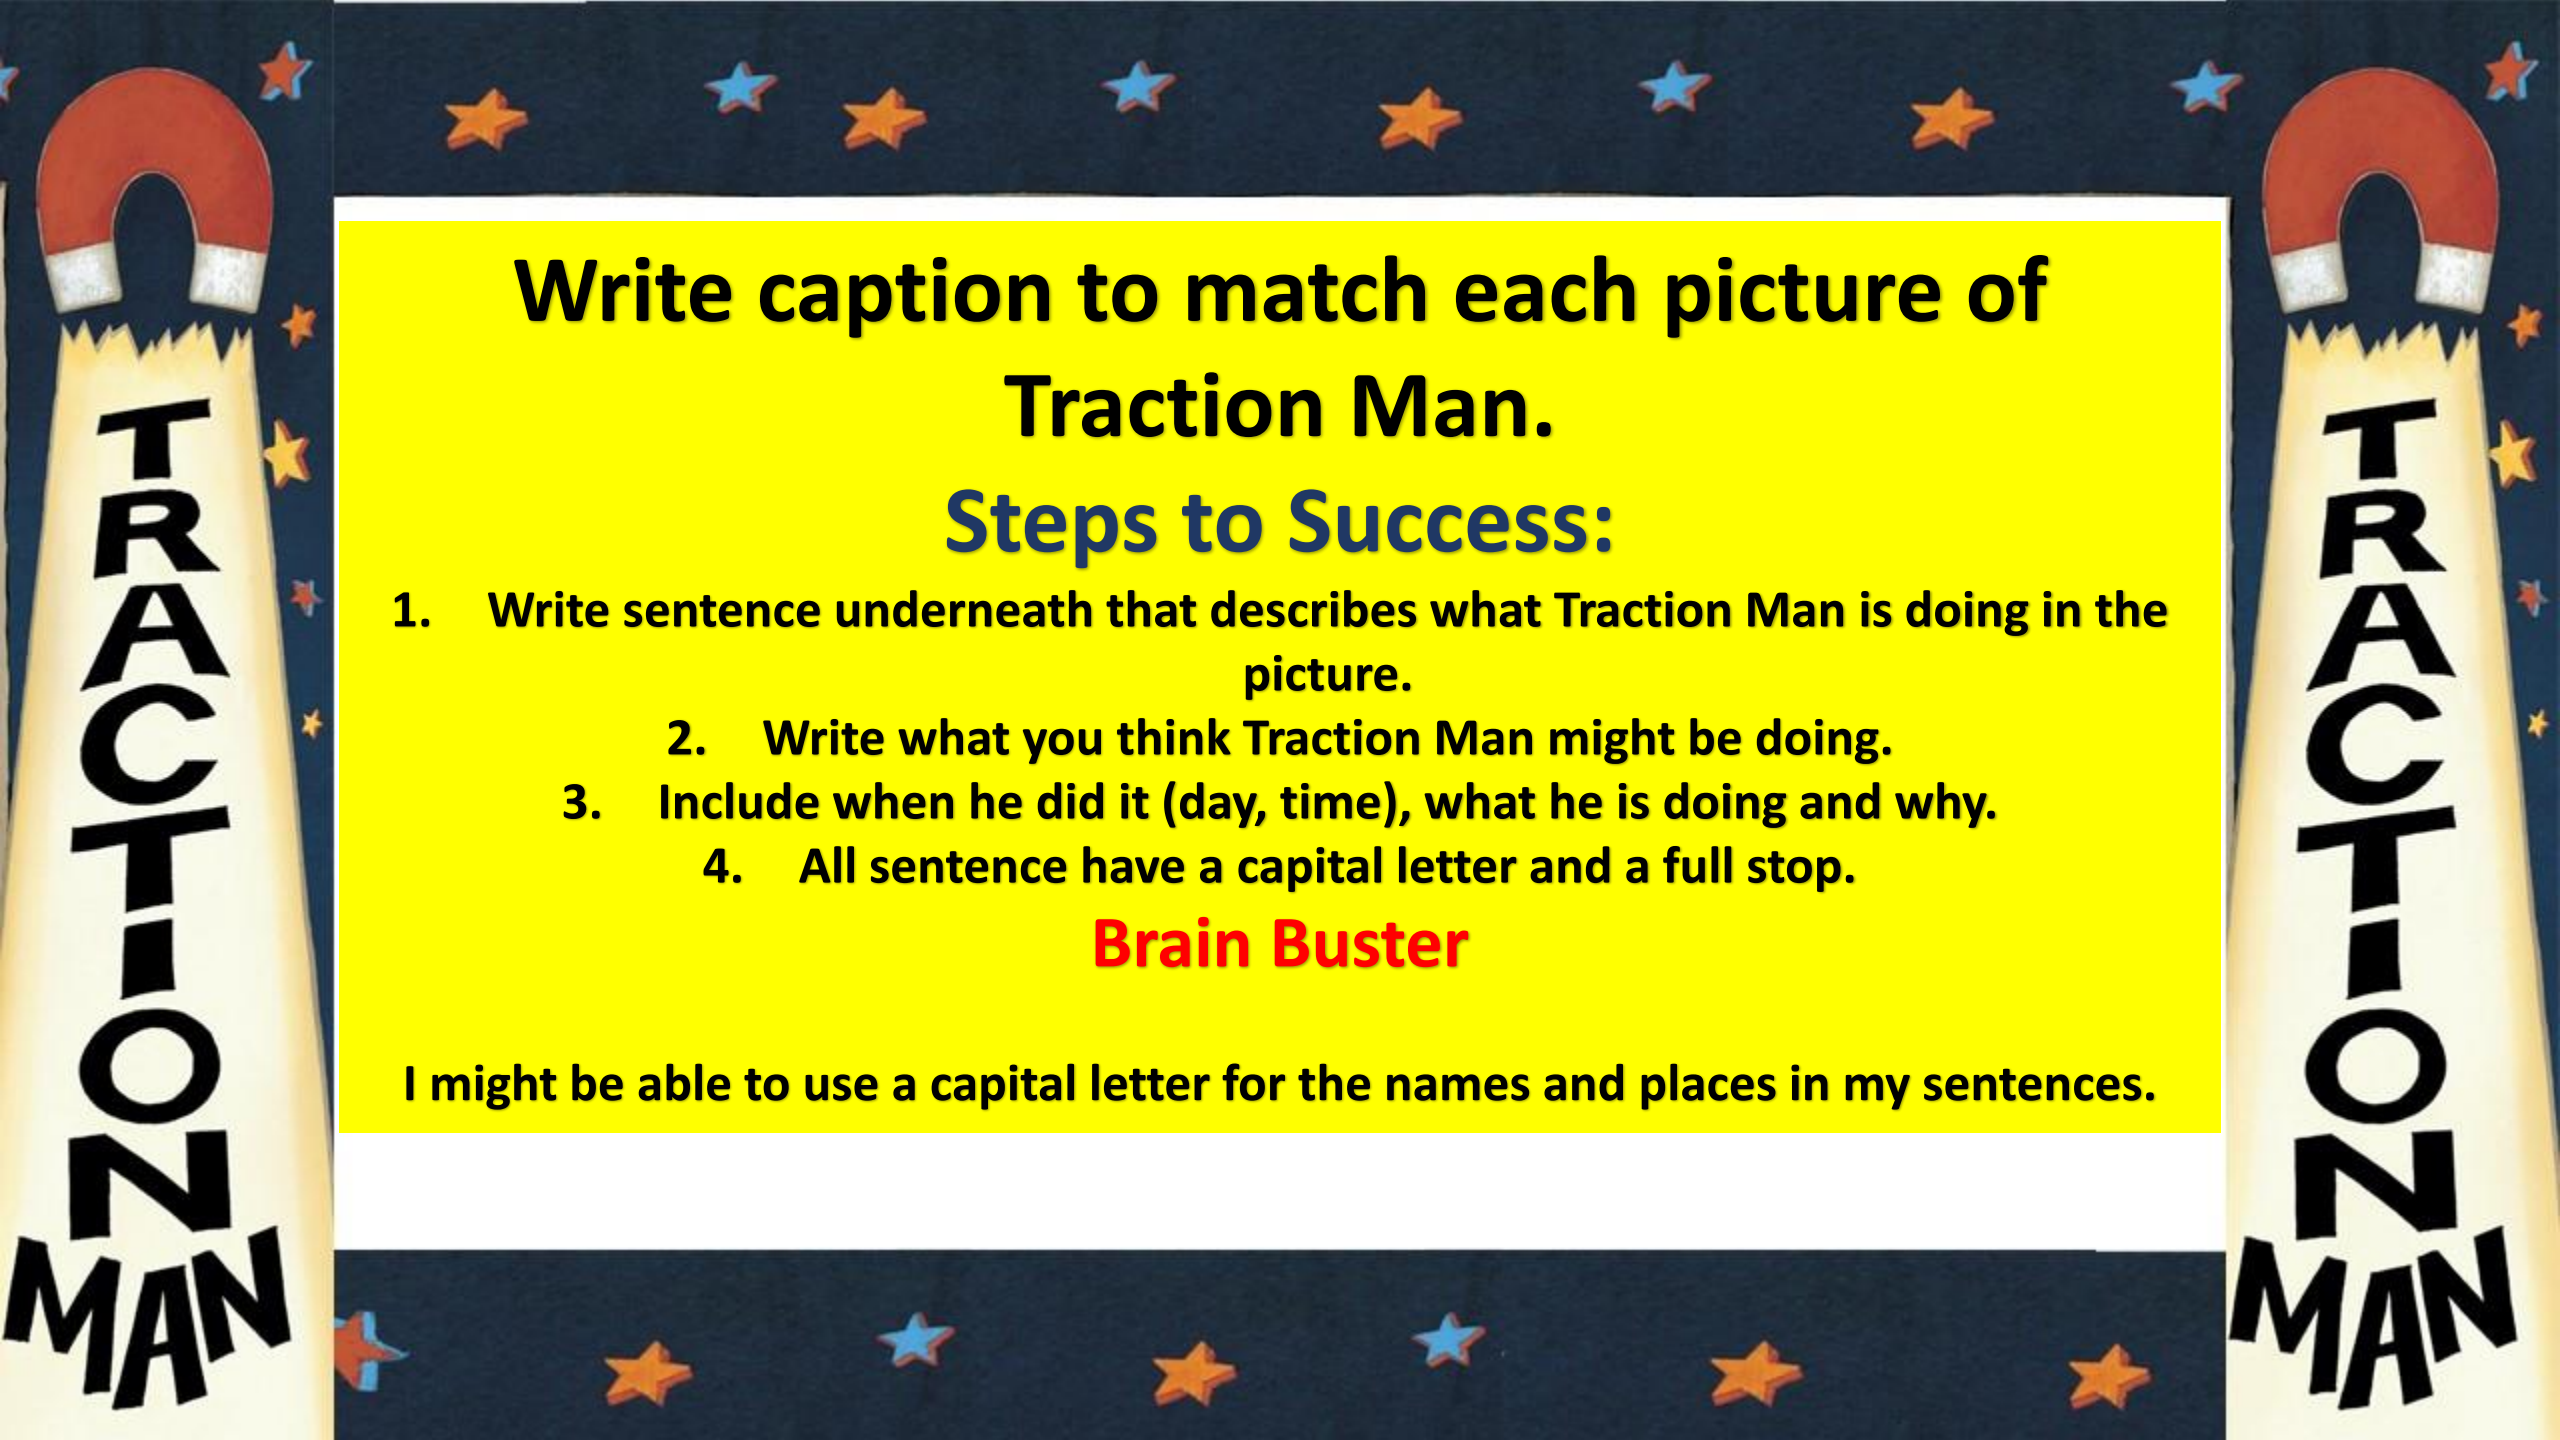

Traction Man in deep waters.

Today at about 5pm Traction Man dove into the sink looking for the lost *treasure of the sieve*. The treasure has been lost for almost 10 minutes and Traction Man thinks he can find it. It is a very dangerous mission. It is believed that the poisonous dishcloth lives in the water and could strike at any time. Good luck Traction Man!

Now you have a go.

Write caption to match each picture of Traction Man.

Steps to Success:

1. Write sentence underneath that describes what Traction Man is doing in the picture.
2. Write what you think Traction Man might be doing.
3. Include when he did it (day, time), what he is doing and why.
4. All sentence have a capital letter and a full stop.

Brain Buster

I might be able to use a capital letter for the names and places in my sentences.
