The slide features a dark blue background with a border of orange and light blue stars. On the left and right sides, there are vertical yellow banners with a red and white striped top, resembling a rocket or a stylized letter 'A'. The word 'TRACTION MAN' is written vertically in large, bold, black capital letters on these banners. The central white area contains the main text.

LO- To create my own
story setting

**TRACTION
MAN**

Today we are going to think about a new setting for
Traction Man.

Where do you think he could have a new adventure?
Is there somewhere in your house or school?

What do you think he might get up to?
Could he save someone or fight an evil villain?

In your book draw a setting, then describe what
adventure Traction Man could have.

**TRACTION

Create a new story setting for Traction Man.

Steps to Success:

1. I have thought of a place in school/home where Traction Man could go.
2. I have drawn a careful picture of this place.
3. I have wrote about the place I have chosen underneath.

Brain Buster

I might have thought of two different settings for my story.
