

Financial Year	Percentage of disadvantaged pupils on roll	Pupil Premium Funding
2020-21	50%	£170,000

Kings Avenue Primary School recognises that all pupils regardless of background should have equal access to a curriculum, which will enable them to reach their potential. We aim to use all monies made available to us via the government's dedicated Pupil Premium funding to ensure any differences between the outcomes of all pupils are closed swiftly and effectively.

Objectives

Our key objective in using the Pupil Premium Grant is to narrow the gap between pupil groups. As a school we aim high in ensuring that pupils make good progress. However, historically levels of attainment are lower for PPF pupils (those eligible for free school meals) - this is also a national trend. Through targeted interventions we are working to eliminate barriers to learning and progress. Many pupils start school with low attainment on entry and our aim is to ensure that they make accelerated progress in order to reach age related expectations as they move through the school

Spending of Pupil Premium Funding Pupil Premium Funding
