

P.E. and Sport Premium funding at Kings Avenue School 2020-2021

Overview

At Kings Avenue School, we aim to encourage children of all ages and abilities to engage with and enjoy physical activity. Children receive weekly P.E. (Physical Education) lessons delivered by specialist coaches, who also offer staff C.P.D. (Continuing Professional Development) every term to develop the confidence, knowledge and skills of teaching staff in order to raise the standard of P.E. teaching throughout the school. After-school activity clubs are also offered to allow further opportunities for children to be exposed to and participate in sport, as well as regular participation in school sport competitions, which enable children to foster a competitive attitude in a safe environment.

Our aims

- To ensure P.E. is inclusive to all students with a specific focus on supporting ‘Gifted and Talented’ students and children with S.E.N
- To allow children the opportunity to represent Kings Avenue School and compete in formal competitions
- To increase the opportunities for students to participate in physical activities that promote health and fitness outside of P.E. lessons
- To ensure that stimulating equipment is bought to best facilitate quality teaching of P.E.

Expenditure	Short-term impact	Long-term impact	Cost
Employ specialist coaches two/three days a week to deliver lessons and targeted support for S.E.N and Gifted and talented	<p>Allows children access to specialist, high quality delivery of P.E. lessons</p> <p>Enables additional provision and opportunities for the more and less able</p> <p>Escort children to competitions outside of school hours - e.g. football league</p>	<p>Children are exposed to a variety of Sports and develop their skills as they progress through the school</p> <p>P.E. and Sport are inclusive so that all students feel they are appropriately challenged and enjoy participating</p> <p>Greater levels of engagement and participation to grow a sporting culture at Kings</p>	£9732

		Avenue
